2 JUL 1981

SUBJECT: Study of Agency Boards of Review

REFERENCE: Draft Report, Dated 2 July 1981

STAT 1. In response to reference we have one change. The ** footnote on page 33 should read "three month underlap". This has been brought to the attention of [] of the Inspector General's Office.

2. In addition, we have some concerns with the suggestion appearing on page 36 suggesting a publication of a consolidated list of helpful hints. While we believe it is a good suggestion in many respects, it does not meet all of our requirements regarding updating, security and breadth of coverage. Current regulations and handbooks can and should be used as the official documents when one makes a decision as to what is proper application.

3. Other than noted above, we have found the substance of the report pertaining to the Board of Review and the Overpayment Review Board accurate and factual.
